Lafcadio Hearn Japanese Gardens, Tramore

The Lafcadio Hearn Japanese Gardens reflect the life and extensive wanderings of Patrick Lafcadio Hearn, who grew up in Ireland, and whose life journey embraced several parts of the world. These stunning gardens have a wonderful and unique story to tell. In their style and planting they contain elements of the gardening traditions of the countries and cultures traversed by Hearn during his varied life.

The journey begins in a Victorian Garden to commemorate Hearn's happy childhood summers in Tramore. There is an American Garden, a Greek Garden and a traditional Japanese Tea Garden, in addition to a Stream Garden, ponds, a waterfall and an extensive woodland area. The main elements of design, in particular the use of rocks and water and the plant selection, are influenced by the tradition of a Japanese Strolling Garden.

Open All year Round **Monday** to **Sunday** 10.00 - 5.00 pm.
